Practitioner Awards – February 1st Half Term

Each half term the managers award a staff member with the Practitioner Award.

We would like to acknowledge all our staff for their hard work and amazing skills they bring to the pre-school each day....

This half term we have 4 practitioner awards for those who have shone like a star:

Ashley – For how you manage to keep large groups engaged in your animated story telling and group times.

Coral – For your organisational skills (how everything has a place and how you pack our storage cupboard like a game of Jenga...it's a skill!) Also for how you transformed the back room into a welcoming classroom environment for the children – they all love it and have really benefited from clutter free space.

Amy – for your beaming smile and enthusiastic manner when the children come and find you. We also love your art ideas!

Jen – For how you are able to support children to self-regulate...always offering gentle words and open arms. BIG congratulations also to Jen for completing her Level 3 childcare qualification to!!
