Theydon Bois Pre-School Group

Newsletter - 6 February 2022

You may have noticed a change to how we welcome the children into pre-school at the gate this week...the children can choose how they would like to greet their teacher in the morning. We hope this will encourage those who are a little nervous about coming in 😊

Scotland

With Burns Night being celebrated back on the 25 January we thought we would have a look at all things Scottish...We finished the day with a story about Nessie, the children's memories of the story when asked questions about the book and Scotland were fantastic. WELL DONE!

Creating the Loch Ness Monster – This was a big team effort from the children and staff, the children glowed with proudness as we displayed it up on the wall.

Theydon Bois Pre-School Group

We spent time using our hands to paint the thistle – a popular symbol of Scotland.

Chinese New Year

Using our fine motorskills to pick up noodles with chop sticks and using scissors to cut them.

Creative rice plates with chop sticks!
