

Weekly notices 16/5/21

Dear parents and carers,

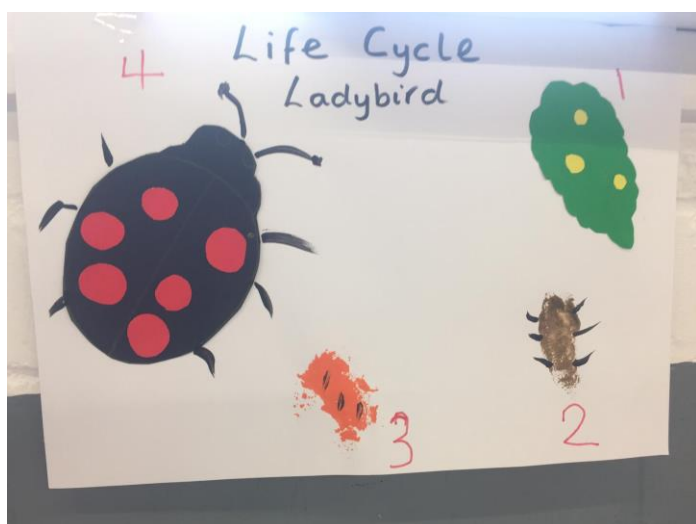

We hope you have had a good weekend.

Please note the following:

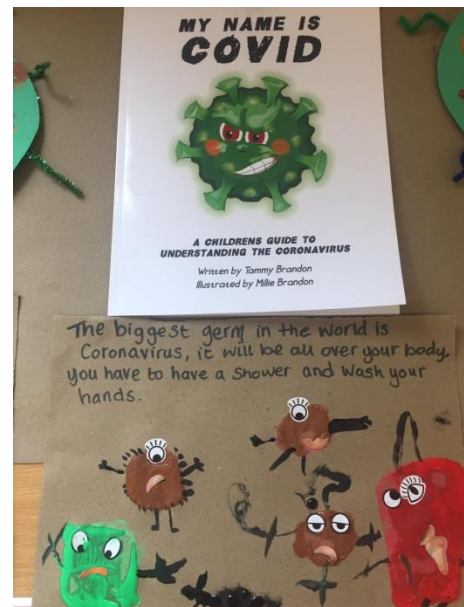

1. **A reminder to please ensure that your child's clothing is clearly labelled.** If you need to purchase any labels, we would recommend using, Stikins as this would help to raise money for the Pre School.
If you visit our website, <https://theydonboispreschool.weebly.com/links.html> you will find the link to Stikins at the bottom of the page. For each purchase made through our website, quoting our fundraising number 35431, we can earn up to 30% from each order.
2. We are currently looking for a lost pre-school jumper that is labelled. Please could you check at home if you have a jumper that may belong to someone else.
Additionally, we are also looking for a pink twist cap water bottle that has a name on it. It would be greatly appreciated if we could return these items to their owner.
3. Please remember to put spare clothes and shoes in your child's bag. We recommend plimsolls.

4. Last week's topics

Our caterpillars have now cocooned and we have transferred them to their new habitat 'the butterfly tent'! The children eagerly await the arrival of our butterflies and excitedly observe any changes. The children have also enjoyed producing some super 'life cycles' artwork.

As we have been focusing on mindfulness and promoting healthy eating and wellbeing, the children have enjoyed taking part in regular activities throughout the week where they have learnt how to regulate their breathing, feel calm and relaxed. As you may remember last week, we mentioned that Tammy has published a book to help children understand the Coronavirus. Last week, as part of our healthy living, the children have enjoyed taking part in various activities, such as blasting germs and viruses with sprays of water.

With best wishes,

TBPS
